I am allowed to carry 25 players on my roster so I have selected five more players that will play with the other Junior teams in Regina but will be called up to games in the event of injuries and absences. These players will be protected by the Riot for the year.

Those players are:

Fidek, Landen \*  
Maher, Sheldon \*  
Wrightman, James \*  
Firlotte, Davis \*  
Elliott, Daniel \*

If last year was any indication, I will be calling up a lot of these players as we had a lot of players miss games for work and injuries.

All players who did not make the team are more that welcome to come to all Riot practices for the year. It will be a good learning experience for them so the are ready to be called up and understand the systems that we implement. At the very least it is more FREE floor time which everyone should take advantage of.

Thanks to everyone that tried out for Junior Lacrosse this year in Regina. We'll see you at the rink.
