

## **Calgary 2009 Canada Day Box Lacrosse Tournament**

You are formally invited to attend the largest box lacrosse tournament in the world. Be part of the action when 74 teams from across Canada compete over 3 grueling days with 185 games being played out. This is not the 'Nationals', but when you are playing against teams from Ontario, Saskatchewan, Alberta and British Columbia – it sure will feel like it!!

2009 will be extra special for us as for the first time ever, we have a team attending from Europe where box lacrosse is still in it's infancy but growing considerably.

Not only are their the games to partake and witness – for 2009, we have magicians, jugglers, face painters, cartoon portrait artists, trick dogs, musicians, Sheriff Austen Powers, Elvis, skills competitions and more. Be prepared to experience a tournament like no other!!
